CONSENTED MOTION FOR FURTHER SUSPENSION OF PROCEEDINGS

Pursuant to 37 C.F.R. § 2.117(c), the parties hereby move jointly to extend by an
additional sixty (60) days the suspension period extended by the Board in a notification to the
parties dated September 23, 2014. The requested continued suspension period would expire on
December 20, 2014.

The parties continue to be engaged in a constructive dialogue toward settlement of
this matter. Over the course of the last several months, the parties have been in constant
communication and have been able to resolve the substantial majority of their outstanding issues.

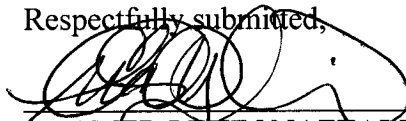

Specifically, counsel have communicated numerous times via email, including on January 24, January 27, March 10, May 22, July 10, September 12, September 29, October 17, and October 23. Additionally, counsel have engaged in substantive settlement discussions during phone calls on March 26 and October 2.

As to the substance of the aforementioned settlement communications, the parties have negotiated terms that would lead to a complete resolution of this matter. Various “sticking points” have been difficult to resolve between the parties, and settlement discussions have been further delayed by other obligations and personnel changes of the parties. That being said, many settlement terms have been reached after negotiations and further consideration of the parties, but at least one issue remains to be resolved before a written agreement can be finalized and executed.

Within the past month, the plaintiff has provided defendant with a draft of an agreement designed to resolve the present dispute, and currently counsel are working to negotiate its specific terms. Accordingly, the additional time of sixty (60) days is necessary to allow the parties to continue their negotiations to completion without the distraction of opposition proceedings. The parties are eager to resolve this matter expeditiously, and believe that resolution of the outstanding issues could be achieved by the end of this suspension period, if granted.

Respectfully submitted,

KRAMER LEVIN NAFTALIS & FRANKEL LLP
